Competitive Exam Preparation

At Innovative International School, Chakan, we strongly believe in nurturing academic excellence and preparing students for future challenges. The school actively encourages participation in various competitive examinations to enhance students' analytical thinking, problem-solving skills, and subject knowledge.

Students from Grades 1 to 10 are guided and trained for Olympiad examinations, which help in developing a strong conceptual foundation across subjects. We are proud to share that two students secured scholarships as State Rankers in the Olympiad examination, bringing great honor to the school.

The Mathan examination is conducted for students from Grades 1 to 8 to strengthen their mathematical aptitude and logical reasoning. To promote language proficiency, students participate in the Hindi Rashtrabhasha examination from Grades 1 to 10.

Additionally, special coaching and support are provided for Scholarship Examinations for Grades 5 and 8, enabling students to achieve academic recognition at higher levels. The school also prepares students for SAFAL (Structured Assessment for Analyzing Learning) examinations for Grades 5 and 8, ensuring continuous assessment and improvement in learning outcomes.

Through these initiatives, the school aims to build confidence, competitive spirit, and overall academic growth among students.

Extracurricular Activities

At Innovative International School, we believe that true education goes beyond textbooks. Along with academic excellence, we focus on the overall development of our students through a wide range of extracurricular activities.

The school provides structured training in **Dance, Karate, Music, Art & Craft, and MCF activities**, enabling students to explore their talents and interests.

These activities help students build confidence, creativity, discipline, teamwork, and leadership skills.

Dance classes encourage expression, rhythm, and stage confidence.

Karate training promotes self-discipline, physical fitness, and self-defense skills.

Music nurtures creativity and enhances emotional development.

Art & Craft develops imagination, fine motor skills, and artistic abilities.

MCF activities help in personality development and social responsibility.

Students actively participate in various competitions, performances, and inter-school events, bringing laurels to the school. These activities play a vital role in shaping well-rounded individuals prepared to face future challenges with confidence.

Innovative International School remains committed to providing a balanced education that fosters intellectual, physical, and creative growth.

Principal's Desk

Mrs. Abha Parmar

M.A. (English & Education), B.Ed.

At Innovative International School, Chakan, our mission is to nurture young minds with knowledge, values, and skills that prepare them to face the challenges of an ever-evolving world. Education, in our view, is not limited to textbooks but is a continuous journey of discovery, creativity, and character building.

We strive to provide a stimulating and inclusive learning environment where every child feels valued and motivated to achieve their fullest potential. Our dedicated team of educators works tirelessly to ensure that teaching-learning processes are engaging, student-centered, and aligned with modern educational practices.

Along with academic excellence, we emphasize co-curricular and extracurricular activities that foster confidence, leadership, and holistic development. I am proud to share that our students have shown remarkable achievements in various fields, including Olympiad examinations where two of our students' earned scholarships as state rankers.

We strongly believe in instilling moral values, discipline, and a sense of responsibility among our students. With the support of parents and the commitment of our staff, we continue to build a strong foundation for our learners.

I extend my heartfelt gratitude to all stakeholders for their constant support and trust. Together, let us continue to inspire, innovate, and achieve excellence.

"Education is the most powerful weapon which you can use to change the world."

Warm regards,

Mrs. Abha Parmar

Principal
